

## Programme: Bovine Viral Diarrhoea (BVD) Eradication Scheme.

**Programme Objective:** To eradicate Bovine Viral Diarrhoea (BVD) from NI.

DELIVERABLES (2024)	Q1	Q2	Q3	Q4	Dependencies
	Jan-Mar	Apr-Jun	Jul-Sept	Oct-Dec	
<b>A COMMUNICATIONS</b>					
1. Implement bi-monthly communications to support the programme and maintain stakeholder awareness.					
2. Maintain and develop helpdesk support for farmers.					
3. Chair BVD Implementation Group Meetings as necessary but at least every 4 months.					
4. Communicate results of ongoing analyses of programme outputs and recommendations to DAERA through the AHWNI/DAERA liaison Group.					DAERA
5. Communicate programme outputs to national and international fora.					
<b>B PROGRAMME MANAGEMENT</b>					
1. Ensure ongoing BVD database support.					AFBI Biometrics
2. Support the implementation of agreed legislative changes with DAERA.					DAERA.
4. Participate in the BVD TWG.					AHI
5. Ensure BVD issues of animal trade with RoI/EU/GB are communicated with industry as they emerge.					DAERA
<b>C PROGRAMME MONITORING</b>					
1. Monthly analyses of key programme performance indicators for programme monitoring as well as internal and external communications.					DAERA (Cognos Reports)

## Programme: Johne's Disease Programme

**Programme Objective:** To maintain a voluntary Johne's Disease herd health programme.

DELIVERABLES (2024)	Q1	Q2	Q3	Q4	Dependencies
	Jan-Mar	Apr-Jun	Jul-Sept	Oct-Dec	
<b>A COMMUNICATIONS</b>					
1. Implement bi-monthly communication plans to support the programme and maintain stakeholder awareness.					
2. Review & update FAQ and programme support materials on Johne's Disease.					
3. Deliver training to Private Veterinary Practitioners on the control of Johne's Disease, the delivery of on-farm risk assessments and the interpretation of diagnostic test results.					
4. Constitute a Johne's Disease Implementation Group, possibly in conjunction with the BVD IG.					
5. Develop peer reviewed publication of V-RAMP findings with Surrey University.					
<b>B PROGRAMME MANAGEMENT</b>					
1. Roll-out the V-RAMP tool to all AVPs.					
2. Monitor programme engagement and outputs for anonymised dissemination to stakeholders.					
3. Engage DAERA on the possibility of aligning with DAERA animal health objectives.					DAERA
4. Develop a Beef V-RAMP for use by PVPs and their clients.					
5. Capture lab test data within the V-RAMP tool for display to participating herds and AVPs					

## Programme: Bovine TB

**Programme Objective:** To develop tools and processes to support industry led initiatives to control bovine TB.

DELIVERABLES (2024)	Q1	Q2	Q3	Q4	Dependencies
	Jan-Mar	Apr-Jun	Jul-Sept	Oct-Dec	
1. Populate the AHWNI bTB website with information resources for NI farmers.					
2. Develop on-farm risk assessment tools for bTB outbreak investigations and on-farm infection risk evaluations.					
3. Engage with Industry and DAERA on options for improved bTB control that can be led by industry.					
4. Securely manage and ring-fence funds collected from industry in support of the industry led components of the NI TB Eradication Strategy.					

## Programme: Sheep Health

**Programme Objective:** To develop assistances to sheep farmers on the control of endemic sheep diseases.

DELIVERABLES (2024)	Q1	Q2	Q3	Q4	Dependencies
	Jan-Mar	Apr-Jun	Jul-Sept	Oct-Dec	
1. Attend and engage in industry led sheep scab stakeholder meetings.					
2. Review & develop best practice Scab Control Documentation.					
3. Develop resources on priority sheep conditions for publication on the AHWNI website					
4. Engage with industry to explore options regarding the need for and if necessary the development of a Maedi Visna Control Programme.					

## Business Management

DELIVERABLES (2024)	Q1	Q2	Q3	Q4	Dependencies
	Jan-Mar	Apr-Jun	Jul-Sept	Oct-Dec	
1. To hold AHWNI Board Management meetings every 2-3 months or more frequently as required.					
2. To engage with DAERA and stakeholders on developing the V-RAMP tool to deliver herd/flock health plans, medicine reviews and meet EU 2016/429 Article 25.					DAERA
3. Develop and maintain priority listing of R&D needs.					
4. Undertake a review of research funding opportunities to support AHWNI work priorities and where appropriate to submit one or more applications.					
5. Undertake a review of industry needs regarding future IBR control.					
6. Identify and engage with PR provider to support AHWNI activities					

## Programme: AHWNI Quality Management

**Programme Objective:** To ensure that all of AHWNI activities are provided to a standard that aligns with ISO 9001 standards.

DELIVERABLES (2024)	Q1	Q2	Q3	Q4	Dependencies
	Jan-Mar	Apr-Jun	Jul-Sept	Oct-Dec	
1. Undertake monthly ISO 9001 staff meetings to underpin development of the AHWNI Quality Management System.					
2. Finalise ISO documentation.					
3. Undertake internal audits of the Quality Management system					
4. Undertake external audit and achieve ISO 9001 accreditation.
